EXPERIENCE

Regional Manager

Mortgage Your Best Powered by Cornerstone First Mortgage LLC

📅 05/2019 - Present 📍 Cincinnati, Ohio

- Boosted client mortgage portfolio via strategic guidance, increasing regional mortgage closings and leveraging expertise in platforms like Encompass and Blend.
- Achieved a 96% loan approval rate improvement by assessing creditworthiness and aligning loan products with client financial goals.
- Developed a robust network of clients, realtors, and stakeholders by participating in real estate meetings and seminars, enhancing market presence.
- Acted as a critical liaison between applicants, processors, and underwriters to ensure compliance with regulatory requirements, upholding federal mortgage laws.
- Proactively communicated loan progress and facilitated document compilation to streamline the mortgage process and maintain ethical lending practices.
- Committed to continuous learning and maintaining licensing standards to adapt to evolving market trends.
- Built strong client relationships, ensuring seamless mortgage origination with platforms like Encompass and Blend.

Managing director

Building Community in New Hampshire

📅 05/2018 - 12/2018 📍 Manchester, New Hampshire

- Assumed full responsibility for the general oversight of all operations, corporate budget management and allocation, as well as payroll administration, which involved accounting, invoicing, and the management of payments.
- Devised plans for the business, in addition to the formulation of tactics for revenue growth, while working in close collaboration with the Executive Director.
- Managed staff in compensation, coaching, development, appraisal, and reporting.
- Utilized existing-and created original-procedures to handle replies to all program personnel, sponsors/patrons, associates, and other stakeholders, involving all the involved parties.
- Managed numerous projects and interested parties, always meeting the demands of tight due dates.
- Directed all federal and local grants with 100% reporting accomplishments.
- Supervised 10 employees, 40 contracts, and two sites directly.

SUMMARY

Dr. Bhola Siwakoti is an accomplished leader with extensive experience in both the nonprofit and mortgage lending sectors, demonstrating strong business acumen across sales, origination, and operations management. He consistently drives exceptional client outcomes in mortgage lending through meticulous financial analysis and strategic guidance, while also leveraging proficiency in platforms like Encompass, Blend, CRM, and DocMagic to navigate complex loan sales, origination, and processing efficiently. His leadership extends to comprehensive team management, staff oversight, and the ability to cultivate robust networks, evidenced by successfully managing staff and contracts in previous roles and achieving 100% reporting accomplishments for federal and local grants.

With a Global Doctor of Business Administration (GDBA) and a Master of Business Administration (MBA), Dr. Siwakoti possesses a strong educational foundation focused on comparative nonprofit financial practices and global business perspectives. His academic pursuits complement his practical experience in strategic planning, revenue growth tactics, and professional development programs. This combination positions him to lead and innovate within various sectors, including language services, social services, or healthcare.
